A CHRISTMAS TO REMEMBER IN BAJA NIÑOS DE FE CASA HOGAR

Children of Faith Children's Home

Through the generosity of our Coastline Church family and our DC Baja team and partnerships, we had the privilege of blessing every child and staff at Niños de Fe with Christmas gifts, a holiday meal, new clothes and shoes, and a day filled with crafts, activities, laughter and fun.

On December 9th, we celebrated with Christmas party with all the children. We began with the Christmas story of the birth of baby Jesus, read by Elvia and her wonderful children.

Santa came to visit (gracias to Art!) and children got to open up presents and play together. We enjoyed a traditional holiday meal of Mexican Pozole a hearty stew! Delicious! It is a true blessing to share this holiday season together in Tijuana as one united family. All could feel the joy and peace in the air.

A CHRISTMAS TO REMEMBER IN BAJA ALAMAR COMMUNITY CHRISTMAS BLOCK PARTY

As the Dream Center Baja CA, Mexico, we faithfully sponsor the colonia of Alamar

Through the generosity of our Coastline Church family and our DC Baja team and partnerships, we were able to bless over 90 children of the Alamar Community with Christmas gifts, a holiday meal, groceries, and a day filled with crafts, tacos, activities, laughter and fun.

On December 16th, we celebrated with the families of Almat with our annual Christmas block party with all the children. We began with the Christmas story of the birth of baby Jesus, read by amazing child volunteer readers. Santa came to visit (gracias to Art!) and children got to open presents and break open 3 piñatas. We enjoyed traditional holiday grilled tacos Delicious! Our relationship and connection with Colonia Alamar continues to grow and strengthen. We are inspired by the leaders of Alamar who have accomplished so much in their skills trainings/workshop. More successes in 2024, no doubt!

Christmas Party WITH ENOVIS

On Saturday, December 16th Enovis (also known as DJO) hosted a fun and outdoors Christmas celebration with our children at Ninos de Fe. Enovis' Customer Care Team, located in Tijuana, coordinated a special event that featured a DJ, Mario Mascot, bouncy castle, and make your own pizza. The children were all laughing and giggling as the DJ and Mario led them through a series of games and marches to music.

House Father Gabriel provided tours to share our vision for the home and how companies like Enovis can make a meaningful impact on the lives of our children. It takes the time, talent, and treasure of 8 people to raise a single child at Ninos de Fe.

Enovis provided gifts and new jackets for each child as well as financial and physical donations. We discussed future opportunities including having the older children visit the Enovis facility in Tijuana for a "career" day to see how medical devices are manufactured. We're grateful for the support of Enovis and look forward to their continued partnership.
