

## BACK TO SCHOOL!

AUGUST 14, 2023

### 90 FILLED BACKPACKS TO ENCOURAGE ACADEMIC ACHIEVEMENT IN THE COMMUNITY

The dream team visited the community of Alamar in Tijuana this past weekend. We delivered 90 backpacks, filled with all their necessary school supplies, to the children of the community. Angela, a current law student spoke about the importance of an education and resiliency. Students with the top GPAs won prizes and award certificates. It was a joyous celebration!
