NEW YEAR'S RESOLUTIONS AT NIÑOS DE FE CASA HOGAR

Learning about healthy goal setting and fostering responsibility

On January 13th, our team had our first visit to Niños de Fe Children's Home of the new year, 2024. As a big family, we got to have "circle time" and discuss setting goals for healthier self-care. Children got to work together and draw and write about their own "metas" (goals). We also had a lovely time playing at the park together and celebrating Manuel's birthday. Each trip is an opportunity to shower these kids with love and develop healthy, positive relationships.

TWO-BEDROOM CONSTRUCTION PROJECT AT NIÑOS DE FE

A huge thank you to Scott Dunlap, Dennis Visser and the volunteer team who spent 2 days working on this construction project at the children's home! It was another beautiful day in Mexico as the volunteer team arrived on Saturday, January 13th to start the bedroom additions downstairs in the play/study room at Niños De Fe. After a few short hours gathering supplies from the local Home Depot; Dennis, Gavin, Ruben and Scott arrived safely at the house. After a delicious lunch, everyone got together and started working. They started right away and with the help of Alex, Isabella, and Elvia's family (Sergio, Andrés, & Valentina) they were able to install one of the 3 walls. They framed, secured framing to concrete, installed drywall and painted. They spent the night at local AirBnB's and got back to building after a wonderful homemade breakfast prepared by Natalia. The volunteer team was able to install both bedroom walls and doors and start on drywall and running electrical. They will be back on February 10th to hopefully complete the rest of electrical, ceiling fan installations, drywall and paint. Volunteers welcome to join!
