# EASTER WITH THE ALAMAR COMMUNITY

Celebrating the good news together!

On March 9th, our team enjoyed a very special day with the children and families at the Alamar community. Our day began with a tour of the neighborhood and understanding how Dream Center Baja has partnered with members of the community to empower them with skill training, workshops, and fellowship. We did a communal prayer and had a guest pastor from La Roca share an Easter message with us all. The children competed in an Easter-themed coloring contest and got to enjoy our annual Easter egg hunt tradition. All of us enjoyed delicious tacos and cupcakes! As team member, Mike, shared afterwards, that DC Baja has been able to commit to "the hard part" which is "showing consistency—when it's not all fun and games. Pouring concrete, bringing internet, building community spirit. I watched Milena hold court with all the neighborhood women, discussing issues important to them. This is the kind of stuff that's so important to the success of this community." We worked passionately to support the Alamar community year round to grow, thrive, and experience freedom in Jesus' name.
