### TWO-BEDROOM CONSTRUCTION PROJECT AT NIÑOS DE FE

**So much progress is being made by our committed team of volunteers!**

The rooms are almost ready. They will head back to finish the project and configure electricity for both rooms. This will be a great blessing for our preteens at the home to have privacy and independent space.

# VALENTINE'S DAY AT NIÑOS DE FE CASA HOGAR

Experiencing the peace, joy, and hope in God's Love

On February 10th, our team enjoyed a very special day with the kids at Niños de Fe. We shared a commemorative video for Marsh's last trip, and Marsh shared some loving words about his 20+ years serving many children in Tijuana. We know Marsh will come back and visit us often! The lesson for the day was about how we feel when we receive God's love for us. The children responded: **"hopeful, joyful, happy, peaceful, trust, & calm."** The children got to play BINGO and paint picture frames. We took photos of each child with Marsh and printed them out for the frames.
