GIVING THANKS

On Saturday, November 11th, we had our monthly Niños de Fe visit. We learned about the history of Thanksgiving, and children got to practice sharing what they're thankful for. Many children were eager to share how grateful they are to have Gabi and Nati and the other children as their family. Children got to paint countless ornaments for the holidays and decor the house. This year, Gabi and Nati got a real tree! The kids are thrilled. We enjoyed a delicious Mexican feast and celebrated Allan's 8th birthday.

A CHRISTMAS TO REMEMBER IN BAJA

Each year through the generosity of our Coastline family, we have the privilege of blessing countless children and their families in Alamar and at Niños de Fe with Christmas gifts, a holiday meal, new clothes and shoes, and a day filled with crafts, activities, laughter and fun.

We are thrilled to share that in just 2 weeks, ALL of our children have been sponsored this year!

Will you join us by helping at one of these Christmas events, making a financial gift to the ministry, or praying for these families this holiday season?
