AUTUMN EXPLORATION WITH THE KIDS!

On Saturday, October 14th, we had our monthly Niños de Fe visit. We learned about the 4 seasons and had an outdoor nature scavenger hunt and relay races / obstacle course. We ended the day by celebrating both Nati and Gabi's birthdays with a restaurant lunch outing all together! We are grateful for God's blessings.

NATALIA - OCT. 7

At 43 years old, I know with certainty that I am a child of God, and that guides every facet of my life. Music, singing and dancing are my favorite form of expression, and the joy of being a woman and mother of several boys and girls fills my heart. I love being surrounded by children and singing children's songs, creating special moments. My husband is a gift from God to me, and I love sharing my life with him. I enjoy food and precious family moments. My passion for my current work fills me with fulfillment and gratitude every day.

WHY DID YOU COME TO TIJUANA?

Today I am absolutely sure that this is God's plan for our family. Three years ago, my husband and I belonged to the corporate world; we had an ordinary life, and the proposal to come to Tijuana was without a doubt a sudden work of God, to which we only said yes. and we didn't let fear or doubt stop us. We just obeyed and left everything and had to be able to come to a city that I didn't even know existed.

HOW IS THE EXPERIENCE OF WORKING AT THE CHILDREN'S HOME?

It has been the most challenging and beautiful experience of my life. GOD has done wonders for us. I experience a God of miracles, a real God every day inside the orphanage. It is the most beautiful craziness. I now live an extraordinary life.

A FUN FACT:

I sing Christmas carols all year round. When I worked in the corporate world, I never thought I could do things that I have done in the orphanage: kill lice, make costumes, cut hair, cook for many people, sew clothes.

MY DREAMS:

A restful cabin getaway so that my husband and I have a special place to escape together from time to time.

HOW CAN WE PRAY FOR YOU?

We need new strength, health, wisdom and the love of God in us every day to continue carrying out God's plan. My fervent prayer is that my children and their partners will receive Jesus and be able to experience the privilege of serving Him as I have been able to experience and that they will be saved.

GABRIEL - OCT. 21

I just turned 44 years old. I was born in Colombia; I have four sons and a daughter. I am passionate about my work, and I am grateful for loving what I do today. For 23 years, I have been a follower of Jesus, and it is my Christian faith that has guided me to serve God. I am happily married, and my greatest satisfaction is family.

WHY DID YOU COME TO TIJUANA?

We came because God sent us here.

HOW IS THE EXPERIENCE OF WORKING AT THE CHILDREN'S HOME?

Physically exhausting, intense emotionally, but 100% pleasurable/ rewarding. I love what I do.

A FUN FACT:

I love salsa music, tennis shoes and watching sports.

MY DREAM:

run a marathon

HOW CAN WE PRAY FOR YOU?

for wisdom to make the right decisions.
